While being a creative, collaborative and passionate storyteller, I am also a responsible and organized project manager. I have a proven track record leading teams and facilitating projects in post-production and the field. I work hard and deliver quality. I am now seeking a permanent position at a Seattle-based organization or company.

## TV PRODUCER EXPERIENCE

For 14 years, I have worked as a freelance producer contributing to approximately 200 hours of television. I'm well-balanced between post-production and the field, and I know how to take a project from conception to delivery.

### In the Field

- Oversaw logistically complicated shoots.
- Directed camera with an eye for story.
- Conducted rigorous sit-down interviews and OTFs.
- Coordinated cast and crew to keep productions moving and on track.
- Conceptualized storylines and activities.
- Planned shoots and wrote daily schedules.

### In Post-Production

- Managed teams of editors and producers.
- Facilitated network and executive notes.
- Wrote extensive voice-over and pick-ups.
- Edited scenes on Avid Media Composer.
- Delivered projects on schedule under deadline.

## SKILLS

- Project Management
- Writing
- Video Editing (Avid Media Composer)
- Directing
- Interviewing
- Photoshop & Graphic Design

## WRITING PROJECTS

- Completed 11 screenplays and two pilots.
- Wrote the fantasy novel *Hell Hunter*.
- Optioned a feature spec script and did rewrites for movie producers on two other scripts.
- Created *subVegas* interactive fiction game.
- Wrote short stories and sketches.
- Performed stand-up comedy.
